

FPOABC ZONE 4

ANNUAL REPORT

2022/2023

Zone 4 has had a few zone meeting that we have been able to attend via zoom to talk about what is happening through our zone. We have been able to attend a few of the combined zoom meetings that Zone 2 has setup. We want to thank the Directors from all Zones for their commitment as well. We want to thank the Public Educational committee as well for giving us the opportunity to watch their presentation through the Zoom Platform as well. We are always working on ways of getting the fire prevention information out to our communities.

If there is anything positive from the pandemic, it has made us as fire inspectors and the fire service to come up with different ways of communicating and doing our jobs. We now have more ways of getting our message out to our communities that ever before. I will keep trying to keep the lines of communication open between the Zone 4 Members and the executive to bring forward any concerns we have.

I want to thank the executive for the guidance and commitment that they bring to our association. I look forward to seeing what the next year 2023-2024 brings us.

Thank You

Nick Ahlefeld

Zone 4 Director

Nick Ahlefeld
