

## Zone 5 Report

2022 - 2023

It is hard to believe that another year has gone by, I took the Zone 5 Directors position a couple years ago and have enjoyed being a part of the executive for the last couple years. Zone 5 has had another quiet year but I would like to thank Zone 2 for opening up some of their zone meetings to all zones and having some great presentations. I have personally enjoyed the all zones meeting and it has been great to see the members from the other zones.

In moving forward I am hoping that this next year we can try to get together for more zone meetings to further the communications in the zone and bring everyone together, hopefully also see if we can get some presenters to join our meetings to help further education in the zone. Thank you everyone for allowing me to serve as the Zone 5 director for the last couple of years and I look forward to talking with everyone through the next year.

Mike Thibodeau

Zone 5 Director
